®Glutoclean

Barbecue Cleaner

Features:
- Gel formula
- For baked-on dirt
- Also suitable for pans

Effect
Glutoclean Grill Cleaner quickly and reliably removes even stubborn and baked-on encrustations, grease and cooking residues as well as oily stains. Powerful effect thanks to gel structure.

Area of application
For all grill grates, pans and pots.

Application
Only use on cooled surfaces. Spray the cleaner evenly onto the dirty surface and leave to work for ten minutes. Remove residues with a cloth, sponge or kitchen towel. Rinse with clear water and rub dry with a clean cloth. For stubborn dirt, repeat the process and extend the application time if necessary. After cleaning, the surfaces can come into contact with food again.

Technical data:
Ingredients: < 5% non-ionic surfactants, anionic surfactants, fragrances
Density   approx. 1 g/cm
pH   > 12
Colour   clear
Odour: Fruity

Storage
Store containers tightly closed, child-proof and in a cool place, but not exposed to frost.

Notes
Follow the grill manufacturer's care instructions. Protect the area around the surface to be cleaned from contact with the product. If necessary, wash off immediately with water.
