

# Genuine leather cleaner

### Properties:

- Cleaning and care
- Does not dry out the leather
- For all types of smooth leather in the home, car, caravan and boat

### Effect

Special cleaner for thorough, gentle treatment of smooth leather. Removes signs of wear, grease, stains, marks, dirt and impurities. Does not dry out the leather. Refreshes the surface.

### Area of application

For all smooth leather upholstery in the home, office and all commercial areas. Particularly suitable for leather furniture, interior trim and covers in cars and boats. Suitable for all types of smooth leather.

### Application:

Spray undiluted onto a soft, slightly damp cloth or soft sponge and wipe the surface to be treated with circular movements. Remove any loosened dirt and then wipe thoroughly with a dry cloth. Repeat the process for particularly stubborn dirt.

### Technical data:

Raw material base: Water and  
Density: surfactants 1 g/cm<sup>3</sup>  
pH value: 7  
Colour: clearly  
Odour: perceptible

### Storage:

Keep containers tightly closed and cool, but frost-free. Keep out of reach of children.

### Notes:

Leather is a sensitive material. Therefore, always test the product on an inconspicuous area of the surface for surface compatibility and colour fastness before use. Avoid soaking the surface. Never spray leather cleaner directly onto the surface. Avoid spot application; always work on large areas to prevent staining.

Please refer to the safety data sheet for safety-related information.

### Item number EAN
